SET101

Halo post-top crafted for pathways, parks, walkways, and gardens with a gentle radiance. Its celestial design not only captivates the eye but also ensures a seamless integration into any outdoor environment, effortlessly enhancing its surroundings. Crafted with precision, the external screws boast the durability of stainless steel 316L, promising longevity against the elements. Available in heights ranging from 3 to 6 meters, and wattages from 20 to 100W, our Halo fixture offers versatility tailored to diverse lighting needs, all while eliminating glare and preserving the ambiance of outdoor spaces.
